## Welcome to the Barony of the Lonely Tower!

Greetings and warmest wishes to all who have wandered into these lands of the Barony of the Lonely Tower.

The Barony of the Lonely Tower is the local SCA group for the Omaha/Council Bluffs metro and surrounding area and part of the Kingdom of Calontir, which covers most of Nebraska, Iowa, Kansas, Missouri and a small portion of Arkansas.

If you are unfamiliar with the Society of Creative Anachronism (SCA), you can find out more information by visiting the Society's [introduction](#) page. We would also encourage you to visit the SCA's [Newcomer's Portal](#).

The best way to get involved with us is to attend as many local meetings and events as your mundane (modern) life allows - however, we understand life comes first and this is just a hobby. You may participate with us as much or as little as you like.

When you attend activities, be sure to introduce yourself and let us know what your interests are. Don't be afraid to ask lots of questions as our Barony is filled with members who would love to answer them for you.

To find out more about our events and activities, be sure to check out our [website](#) as well as the calendar at the back of this newsletter. For more information or to ask specific questions, feel free to contact one of our officers listed on the last page.

Welcome to the Current Middle Ages - We're excited to have you!

*Be sure to visit the Society for Creative Anachronism's [Pinterest](#) page.*

*They have over 75 boards and hundreds of pins to help in whatever you're interested in.*

## From the Baron and Baroness of the Lonely Tower

Greetings unto the Populace of the Lonely Tower!

Our deepest gratitude to the fine archers of who represented Our Barony at King's Companie of Archers. The team finished 3rd despite Lord Gaius dropping out after his bow unfortunately broke. We will be ready again next year to compete for the championship. Speaking of archery, congratulations to Our new archery champion, Owain the Younger, who defeated all competitors at the archery revel. His thrown weapons performance was especially noteworthy, beating his closet competitor by 14 points! Our thanks to Lady Aesa and Lord Brynwolf for hosting the revel at their estate. We look forward to seeing everyone at Vertigo and Crown Tourney!

Yours in Service,

Augustin and Aleit

The Basics of Feast Gear and Where to Find It

When attending SCA events, more often than not there is a feast afterward. Feast is a wonderful opportunity for cooks to show off their new dishes they've learned, and for the populace to experience some delicious foods we normally may not normally eat. There's a catch...You need feast gear!

What is feast gear? This is usually a plate, bowl, cup, silverware, and some sort of napkin. For your first couple of events you can use what you have from home, or borrow from the Gold Key that is with the Chatelaine. However, many people want their stuff to match their persona, or have a set that is their own. Where can you get dishes that look as if they are medieval? Well, you can shop at events: wars, Kris Kinder, other events that have merchants, you can check out local second hand stores, or a World Market store (they often have dishes and silverware that will pass muster). A mug/cup is one thing in Calontir you will not have to worry about because it is a tradition in our Kingdom that your first Kingdom event you go up during court, and you are gifted a mug. However, people will often have more than one. For example, I have three. If you are wanting to do feast gear on the cheap, scouring local consignment and second hand shops is a great way to find something as well.

Some recommendations:

Wooden bowls are always a great addition to your feast gear. These were very common throughout many time periods. Also looking at pottery, either thrown or hand formed dishes, as these would have been made regularly. Just make sure that any glaze on the pottery is food grade and safe! Some cultures used glass dishes and cups as well, so keeping an eye out for these pieces is also great. Metal and wooden eating utensils are very common throughout many time periods. However, it depends on your persona if you'd use some utensils. For example, spoons were very common, but eating with forks was not common. Many cultures even today still eat a lot of their food with their hands. This is also why a napkin is important. You can find these for very little cost at many second hand stores, or you can make your own with extra linen or fabric left over from making garb. What you decide to purchase, make, and where you decide to get it is entirely up to you. As with garb, you can be as creative as you like in this endeavor. It all depends on how you want your feast gear to look, and how much you want to spend. It will require some research, and maybe talking with your friends. Make sure to check museum websites for artifacts because food utensils are surprisingly common finds in the archaeological record, as they were made to last! If you have any questions, or need Gold Key feast gear, though make sure to talk with your Chatelaine!

Without the Banner, there will be no Barony of the Lonely Tower. My warrant expires January 2020. I do need someone to step up and take my place to keep Barony of the Lonely Tower running. Only apps that you need to have is Word Publisher to produce the Banner.

Please send a letter to Baron Augustin, Baroness Aleit, ([blt.baronage@gmail.com](mailto:blt.baronage@gmail.com)) Seneschal Anne ([seneschal@lonelytower.org](mailto:seneschal@lonelytower.org)), and myself ([chronicler@lonelytower.org](mailto:chronicler@lonelytower.org)) by Saturday, November 9th Baronial Revel.

## *From the Web Minister*

Hello, I am Gaius Cornelius-Scipio Titanus from the mighty Barony of the Lonely Tower. I have been bestowed the position of the Barony's Web-Minister by their Excellencies, Baron Augustin le Blinde and Baroness Aleit de la Thomme and blessed by the Barony's Seneschal Honorable Lady Anne Von Weingarten. I aim to make the Barony proud of their communication network, and will strive to ensure the safety and viability of our website.

I am a Roman, hailing from the time of Caesar's legion. I am active in archery and heavy combat, mainly. I also attempt leather-working and woodworking. I have been with this Barony for almost two years this January. If you have never seen me before I may be mistaken as a Gaul more than Roman, but do not be deceived by my height, I bleed for Rome and Calontir alone.

I have been bestowed some ancient wisdom in some advance technology. When I'm not fighting or training for my kingdom, I make my coin in Information Technology for about 6 years and counting. This website is new to me and would appreciate any concerns or improvements you would like to see on the website. I aim to make you all proud. For Rome, for Calontir, for the BARONY OF THE LONELY TOWER!!!!

- Gaius Cornelius-Scipio Titanus

## *From the Knight's Marshal*

Into the populace of The Lonely Tower do I Sir Michael send greetings...

As the days draw shorter I want to remind all that we will continue to practice and will be moving to indoor practices starting (enter date) at (enter location). In the meantime, come out and join us outside and when it becomes too dark to safely fight, we can work on mechanics and footwork.

Marshalls, by the time you are reading this... Third Quarter Reports are due...

10/15/19.

In Service to The Crown,

Sir Michael Nymandus Von Falkenburg.

## From the Financial Committee

28 August 2019 1150  
Virtual meeting notes.

Good afternoon to the Finance Committee.

Here opens the virtual meeting:

We have been offered the opportunity to move our storage unit out of the depths of the back, closer to the front of the property...but it comes at a price, and that price is two-fold.

First: There are two available units for \$92.99 (\$1,116 annual), one is a large door in the first row with known water issues (floods under the door and would require us to keep everything up) and one is in the second row with two doors. The third is \$105.99 (\$1,272 annual) and is a large door in the front row, close to the gate.

Second: We have to pay the monthly fee on both units for one month. There is no pro-ration done--even if we move on the 31st and the 1st, unless we hold all the stuff in the vehicles for a day, we still have to pay for the other unit.

Pros: easier access for loading and unloading

possibility of no more (or less) water damage since the unit would be uphill

Cons: money. it costs more not just to move, but the new unit monthly price. Our current bill is just under \$1k.

we need to organize about 6 able-bodied ppl (more might be just too many) to move everything and possibly rebuild the shelves

September would be a good moving time for temps. We don't have any events planned--no bids in yet for 12th night even. Please discuss by responding to this email.

I will ask for a vote on Friday.

All email traffic will be published as minutes.

in grace,  
your exchequer.

Discussion:

I think the large door may be beneficial, however not sure if 200/yr is worth avoiding the potential water damage if we are going to have everything on shelves anyway. I'm not sure that the bigger door with potential water damage is worth the same as the 2 doors we've been living with.

Yis,  
Aleit (Baroness)

currently what is on the floor in the storage unit is: poles for the shade fly, the list field and the fighting floor. Those are the only items we can not get onto a shelf. I am not sure if the list field / shade fly poles have/will be effected if the unit gets water again or not.

Anne (Senschal)

What are we currently paying for our storage unit?

Mikail Azadan

Off the top of my head, roughly 83/ month

Ann (Seneschal)

Unit size info

You currently have a 10x15 and all of the units we have been discussing are also 10x15. If you're interested in moving into a smaller unit we have 5x20s, 10x10s, 5x15s, 5x10s, and 5x7s which are indoor and not drive up.

Anne

Good gentles,

To answer the question posed by M. Mikhail, we currently pay \$78 per month on our storage unit.  
I need a vote from all members please.

Cristina.

Votes:

I vote YES. Anne

I say yes to one with no flood possibility. Kay/Ivetta

I'm with Ivetta. Yes to the one with little to no flood potential. Mikail

Move to 2 door for access. Astrid

Apologies for our delayed response, we vote 2nd row to avoid the water and keep the lower price of the new options. Baronage

Thank you for your participation in this virtual Finance Committee Meeting.

The vote is unanimous to move, provided the two-door non-flooding unit is available.

Madame Seneschal, can you take care of this please? Let me know your funding requirements and I will write the checks.

Here closes the meeting.

In grace,  
Cristina.

## *From the Baronial A & S Champion*

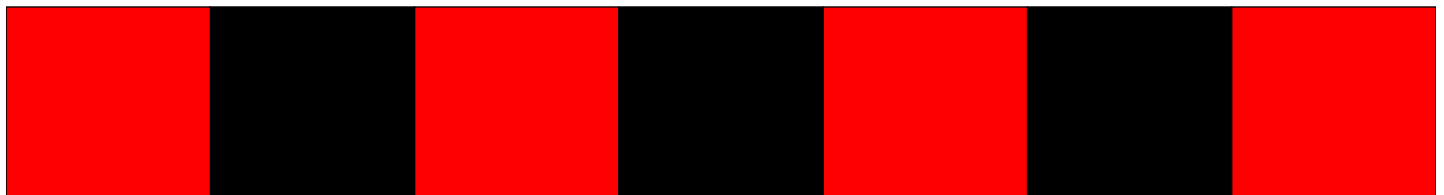

The Winter Revel is fast approaching. And Winter is a major gift giving season. So bring your handmade SCA gifts you received or gave to display at the Winter Revel.

Show off the detailed work by people who seldom enter A & S competitions. Or use it as a chance to display your special creation before you give it to your friend at 12th Night.

This is a display so beyond labeling what the item is for those of us less knowledgeable no documentation is required. You don't even have to give your name, but it would be nice if you did.

Can't wait to see what everyone has to show off.

For the Dream,  
M. Jehanne Bening

## Baronial Awards

All members of the SCA are encouraged to send in award recommendations for those members of the populace that they believe are worthy of recognition. Below are the names and brief descriptions of awards given in the Barony of the Lonely Tower.

**The Cord** - The Cord is simply that, a cord in the Lonely Tower colors that denotes the person wearing it is an active member of the Barony.

**The Rose Window** - The beauty and craftsmanship required in the making of a rose window gives us the definition for this award. The Rose Window is given for promise in the pursuit of the Arts and Sciences.

**The Column** - The support needed to keep the Lonely Tower standing comes from its many Columns. This award is given to those who have helped serve the needs of the Barony of the Lonely Tower.

**The Defenders of the Gate** - *Cave Canes!* "Beware of the Dogs" is the motto of this fair Barony. And well said, the knights, huscarls, fyrdmen, fighters, archers and equestrians of this barony have given us ample reason to be proud of each area of endeavor in the martial arts. Thus this award is given to those who are a part of our martial presence at tournaments held in the Lonely Tower and throughout Calontir and the Known World.

**The Goose Migrant** - Where the goose flies, so it takes with it the spirit of this land. This award is for those who have traveled widely within or without Calontir, representing the Barony wherever their paths may lead them.

**The Keystone** - Given to those without whose presence the Barony would likely not have become nor likely remain the beloved place we all share. In this award we seek to honor those who enhance, embrace or support the Barony and by extension the Kingdom and Society.
